

## Pace Cleaning Products

### **PACE Strip-It PRO** Liquid Concentrate *for Greenhouses and Irrigation Lines*

- Prevents emitter clogging by dissolving mineral build-up in irrigation lines and reducing it to a foam for easy removal.
- Dislodges sludge build-up in irrigation system which can help to improve water flow.

### **PACE AgH PRO** Liquid Concentrate *for Packing/Processing Facilities, Greenhouse, Indoor/Outdoor and CEA growing areas, and Warehouses and Heavy Equipment*

- Multi-Purpose Cleaner to dissolve protein-based substances such as produce juices.
- Removes soil, light calcium build-up, and algae stains.
- Dislodges heat set, heavily soiled areas.
- Breaks down greasy deposits even when combined with dust, dirt, and sap.

**Safe For Use On:** wood, pvc pipes, corrugated plastic, stainless steel, aluminum, iron, concrete, poly, glass and styrofoam.

*PACE KleenGrow is not registered as an algicide in the State of California.*

## Clean, Rinse, Control Diseases

Pace cleaning products are formulated for the agriculture and horticulture industry.

The Pace ACBD System (*Always Clean Before Disinfecting*) is a research proven protocol that will provide optimum results to your cleaning program. The cleaning step helps lift debris build-up from the surface for easy removal and the disinfectant step provides the microbial control.

**Step 1** - Soak the pre-wetted surface with Pace cleaning soap.

**Step 2** - Rinse with water to remove the soap and debris from surfaces.

**Step 3** - To complete the system, apply KleenGrow for powerful microbial control. For more information, please refer to KleenGrow Disease, Virus & Algae Control on Surfaces Product Sheet.

Key Features	Strip-It PRO	AgH PRO
Removes sludges and algae stains	✓	✓
Dissolves fertilizer and water mineral deposits in irrigation lines and on cool pads	✓	
Breaks down produce juices, resins/sap for easy removal		✓
Degreaser, easily washes away baked on dirt		✓
High foaming when using a foam applicator	✓	✓
Low foaming even during agitation
